

# Play PA Photo Challenge

Introducing our first photo challenge for all of those enjoying Port Angeles this summer.

Below are 10 activities for you to complete. Play as a group or individual. Snap a photo as you enjoy each task. You do not have to complete every item to enter. But, of course, you are playing to win right? Post on social media as a collage or multiple pictures using hashtag #playpasummer2020 and tag @roadknotttaken. All entries due by September 20th. Get creative and have fun.

Winner receives a gift basket of local goodies and bragging rights.

## 1 Hide & Seek

Join in the game by painting and hiding your very own rock. Create a piece of art, write a motivational saying, or whatever you choose to brighten someone's day.

Don't forget to find a rock too!

## 2 Sweet Treat

Pretty please with sprinkles on top!!  
Where do you go to enjoy a famous soft serve ice cream cone while visiting critters like a mini-donkey named Donna?

## 3 Fine Arts

Although a bit irrational, you will find this sculpture while circling nature trails where artworks are hiding in plain sight.

## Adventure

One of the very best summer activities is getting into the outdoors and setting up shelter, a home away from home. Let's see your favorite camping spot!

## 5 Donate

Masks, gowns and gloves are needed in our county.

Call 360-417-2430 first to ensure someone is present to receive the donation at the Emergency Operations Center in the basement of the courthouse.

## Harvest

This activity engages all 5 senses. You are only limited by what is in season. So get out there to pick your fave berries and prepare a yummy dish.

## 7 Hike

More of an easy, breezy beautiful walk than a true hike, but nonetheless this .3 mile of pavement ends at a wonderful waterfall.

## 9 Go Wild

Right now fields and meadows are in full bloom with unintentional flower gardens. Capturing these wildflowers on camera never disappoints.

## Selfie Spot

Downtown is speckled in art, and selfies are always on point in front of a mural.

## SUPing

A fun way to play on the water, with the added bonus of a full-body workout. Standing full height on your board gives you a unique vantage point for viewing what's down under the water & out on the horizon.
