HAPPY VALENTINE'S
DAY.

Scavenger Hunt Instructions

1. Print off both the numbered clue sheet and the written clue sheet on the double-sided option. The two pages are now one page, printed back to back on one sheet of paper.
2. Cut out all six hearts. When you are finished you will notice one side has the clue number and the other side has the written clue.
3. Hide the clues. The first clue is handed to the players. The word under the # directs you where each clue should be hidden.
4. Clue #6 should be attached to a little treat. As that is the last spot the players will look and it prompts them there is a valentines waiting for them when they arrive. i.e conversation hearts, box of chocolates, stickers...
5. Have fun!! Send us your feedback or post pictures of your little ones on their scavenger hunt. We would love to share in the joy.
